1 Use of English

Complete the text with **was** or **were**.

People think that camping is a holiday activity, but in the UAE, camping **was** (1) traditional for the Bedouin. Traditionally, Bedouin tents **were** (2) made from goats' hair, which didn't let water in. The tents **were** (3) cool inside even when it was very hot outside. In winter, when it **was** (4) cold at night, a small camp fire inside the tent kept it warm. It **was** (5) difficult to keep fruit and vegetables fresh in the desert because they went bad quickly, so food **was** (6) simple. The traditional fetir **was** (7) made with flour, salt and a little water and it was delicious. The Bedouin **were** (8) very kind when guests came to their camps.

2 Challenge

Do you think Bedouin camping in the desert is easy or difficult? Why? Why not?

I Understand

I Got It!

I understand everything.

I Mostly Get It.

I understand most of it,
but not all of it.

I Sort of Get It.

I am still a little confused.

I Don't Get It.

I don't understand at all
and I am very confused.
