Adel and Waleed are twins and live in the UAE. Listen and read about their memories of a camping trip when they were younger.

- 1 How old were Adel and Waleed when they went camping?
- 2 When did they go camping?

Hi, I'm Adel and this is my twin brother, Waleed.

We are very excited because we're going camping next weekend with our family.

The last time we went camping was about six years ago, when we were six years old. We had a brilliant time. All our family drove to Al Hayer forest in the summer. It was so hot in July but there were lots of ghaf trees to camp under and stay cool. The land was flat, but there were lots of sand dunes and mountains.

My mother had brought lots of delicious food to cook on the barbecue and we ate barbecued lamb and chicken. There was a big fire and my grandfather told us old stories of when he was a boy.

We all slept in tents at night and heard lots of animal noises. My father told me that he had seen a fox and some bats! Everyone had to shake the tents in the morning because some scorpions had crawled in. I was scared of the scorpions, but they ran away quickly.

**2 Word study**

Adel camped in the desert in July.

Can you put the months of the year in the correct order starting with January?
